Insights

Insights, the thought leadership journal of applied microeconomics, is published on a quarterly basis, with periodic special interest issues. *Insights* is distributed to the friends and clients of Willamette Management Associates.

Insights is intended to provide a thought leadership forum for issues related to the Willamette Management Associates business valuation, forensic analysis, and financial opinion services.

Insights is not intended to provide legal, accounting, or taxation advice. Appropriate professional advisers should be consulted with regard to such matters. Due to the wide range of the topics presented herein, the *Insights* thought leadership discussions are intended to be general in nature. These discussions are not intended to address the specific facts and circumstances of any particular client situation.

The views and opinions presented in *Insights* are those of the individual authors. They are not necessarily the positions of Willamette Management Associates or its employees.

We welcome reader comments, suggestions, and questions. We welcome reader recommendations with regard to thought leadership topics for future *Insights* issues. In particular, we welcome unsolicited manuscripts from lawyers, accountants, bankers, and other thought leaders of the valuation and forensic services community. Please address your comments or suggestions to the editor.

Annual subscriptions to *Insights* are available at \$40. Single copies of current issues are \$10. Single copies of back issues are \$250. The cumulative collection of the 1991–2016 issues of *Insights* are \$2,500. Single reprints of current articles authored by Willamette Management Associates analysts are complimentary. Single reprints of noncurrent articles authored by Willamette Management Associates analysts are available at \$100.
